Letter from the President

I hope everyone survived our record breaking snowfall and the frigid temperatures. Spring is finally here!

Our Annual Education Event was a success. We had great sessions: David Kent taught about headaches and treatment methods, and Sandy Fritz lectured on the latest in Pain Management.

I want to welcome a few new members who have stepped up to volunteer at the chapter level.

- Susan Gamalski is completing Chris Yee's term as Treasurer and will also be serving as a delegate for 2 years. Susan comes with years of experience working in accounts payable and receivable along with being a massage therapist.
- Karen Johnson was elected as a delegate for 2 years. Karen specializes in working with clients with Traumatic Brain and Spinal Cord Injuries.

For 2014-2015, the Chapter Board has planned some fabulous educational and networking events along with community outreach opportunities. Please check out the details on our Website or Facebook page.

Julie Finn, LMT, NCTMB
