The first annual Dolly Wallace Professional Member Scholarship was awarded to Kirsten Bugy of Dowagiac. As winner, Kirsten received the weekend classes and two nights hotel, along with this lovely memento.

### **2019 Chapter Meritorious Award**

This year's award was given to Cindy Dort, a long-time chapter volunteer. She has held several elected and appointed positions, and is currently a Board Member and Education Chair. Living in Northern Michigan, she has to drive long distances (at her own expense) to fulfill her obligations with the Chapter, which means stepping away from her busy practice days at a time. She selflessly gives of her time and energy so the chapter can be stronger for its members.
