

AMTA Michigan January, 2023 news & updates

President's Note

The Holidays have passed and we are moving through another Michigan winter. Your Chapter volunteers are working hard to provide you with quality education in the coming months. If you would care to be part of "the works" that help move the Chapter along, please let us know how you would like to volunteer with the Chapter. Most activities can be done in 1-2 hours a month. No long term commitment.

We'll be sending another brief email in a few days with the Call for Candidates for those of you interested in joining our chapter board.

Hope to see you soon.

Carrie Mayo Buechler, LMT, CCT
President, AMTA MI

Call for Candidates: Join Us!

Don't miss this opportunity to join the other chapter volunteers as they handle the business of the chapter including attending convention and setting up education and networking events.

Call for Candidates will be emailed January 17

Applications Due February 16.

Volunteer Openings!

Communications: Social Media - do you find yourself looking at and responding to social media most days? Help us out by adding some AMTA-MI content to the popular social media sights while you are net surfing. 1-2 hours per month, all work done remotely.

Communications: Newsletter - ever write a newsletter for your business, school, or church. We can use your expertise in putting together our newsletter that comes out 2 times per year. You don't have to write the content, we need someone to put our ideas into a effective guidance newsletter to our membership. This too is about an hour per month commitment.

Event Scheduling - Have you ever had a chance organize a group for an event? Are you interested in adding a new program to your bag of tricks of doing this type of activity. We have an opportunity for you. Help us with setting up our online education and in person education events. You will get training on the program that is used and it will be about 1-2 hour commitment per month.
